

AMERICAN *Heart* MONTH

FEBRUARY SPECIAL 

Measure Your Risk of Heart Disease With a \$50 Cardiac Calcium Scoring

February is American Heart Month and Vital imaging is helping you take charge of your heart health with a \$50 cardiac calcium scoring, a 30-minute, noninvasive CT scan that measures calcium buildup in your artery walls. Nothing is more important for you and your family than keeping your heart healthy.

You are a candidate for cardiac calcium scoring if you are over the age of 40 and have any of the following risk factors:

- Obesity
- Smoking
- Diabetes
- Hypertension / High blood pressure
- Family history of heart disease

Pay Attention to Your Heart (It Matters)

Vital Imaging has six convenient locations covering major areas in Miami-Dade County such as Brickell, Coral Gables, Doral, Hialeah, and Homestead. We also offer these additional services:

- Holter Monitors
- ECHOCardiograms
- EKGs
- CT Calcium Scoring
- Cardiac Stress Test
- Stress ECHO
- Strain Analysis ECHO

Offer available February 1-29, 2020; must schedule appointment during this duration time.

To schedule an appointment, call 305-596-9992.
